

I am Janice McMillen and I a proud lifelong resident of beautiful Steelville, Missouri and graduate of Steelville High School and I have taken courses at East Central College to further my education, but never settled enough for a degree.

I have worked for almost 17 years at the Steelville Star-Crawford Mirror. In that time, I have been a jack of all trades from answering phones, to selling ads, to taking photos to writing articles, whatever is needed is what I do.

You might not recognize my face, but you might recognize my laugh...I have heard that it is pretty distinctive, and has given me away in many attempts at practical joking.

Family is very important to me because I was raised by two loving parents, James and Elaine Ransom, with two brothers, J.T. and Joseph and two sisters Jennifer and Julie. I am very proud of my family, and extended family which includes my Uncle Bill and Aunt Marilyn Ransom, and my late Uncle Al and Shirley Halbman and Aunt Ava Viehman who all taught me many things about life. Consequently I try to be a hands-on aunt to my own amazing eight nieces and nephews and two great nieces.

I am blessed to be married to Marty McMillen and equally blessed to share a stepson, Kasey.

I was taught very early in life that volunteering in our community is important, and that if I want to see improvement in anything, I need to get my hands dirty and get to work...so you have probably seen me many times at the ball park or at school working in the concession stand, keeping stats, coaching, tutoring, cleaning or just being there if help is needed. I am not real big into talking the talk without walking the walk. I have volunteered in 4-H, Steelville Sports Club, Steelville Athletic Booster Club to name a few.

What you might not know about me is that I collect antique quilts, and that began with my Granny teaching me to embroider and crochet when I was just in the third grade. She was an amazing lady, and lived a life that I can only pray that I can uphold.

I think you get out of life what you give it, so I gave my life to God when I was a child.
