

Hi, my name is Susan Emmons and my husband's name is Phil. We met in college when we were both attending Central Methodist in Fayette, Missouri. We married on May 1st, 1964 and are approaching our 48th wedding anniversary. We always say we've been married twice because we had a religious blessing of a civil ceremony after we eloped.

I grew up in Steelville and graduated from Steelville High School in 1960. Phil grew up in Kansas City and graduated from Southwest High School, also in 1960. I earned my bachelor's degree in elementary education and taught at the Steelville Elementary School for over 23 years. Phil earned a bachelor's and a master's in education from the University of Missouri-Columbia. He taught at the Bourbon Middle School.

We are both now retired and have been full-time RVers for six years. We love to travel, sightsee, and volunteer at the various locations where we camp. I also like photography and was recently honored to have one of my butterfly photos selected for the St. Catherine Creek National Wildlife Refuge butterfly brochure.

Phil and I have two children, Brian and Heather, and six grandchildren. We get back to Steelville as often as we can where we enjoy spending time with our family and catching up with friends.

We're also Presbyterians!

Come worship with us at the Steelville Presbyterian Church.
